The matter regarding Modified Assured Career Progression (MACP) Scheme to PEXs, TREXs and AEs came up during a meeting this evening with the representatives of NAFADE in which Member (P), Member (F), DG, AIR, DG, Doordarshan, DDG, AIR and GM (P) were present.

The matter has later been discussed with M(P), DG, AIR, DDG, AIR and GM(P). It would seem to be clear that the decision in this regard has to be taken by DG, AIR in her capacity as Cadre Controlling Authority. She may immediately take steps to complete the process and to get the recommendations of the Screening Committee and may also obtain the required vigilance clearance. I am given to understand that there is a DOPT OM on the subject issued on 19/05/2009. Steps may be taken in accordance with that. Urgency is required in this regard as the legitimate benefits due to the employees should be given to them without unnecessary delay.
