

Ministry of Finance
Department of Expenditure
E.III B Branch

Reference: Notes at M/I&B's F. No. V-13014/1/2019-BAE.

Ministry of Information & Broadcasting may please refer to their notes on prepage regarding merger of the posts of Sr. Technician, Technician, Mast Technician and Diesel Technician in the Subordinate Engineering Cadre of AIR and Doordarshan in the 6th CPC pay scale of PB-2 + Rs. 4200 GP into a single cadre designated as "Junior Broadcast Engineer."

2. The matter has been examined. Ministry of Information & Broadcasting is advised to clarify the following points:

(i) The Cadre Review Committee submitted its report on Cadre Review of Subordinate Engineering Cadre on 01.06.2015 and it has been mentioned that proposed merger of posts may be applicable to those Govt. Servants on deemed deputation to Prasar Bharti and joined on or before 05.10.2007. It is not clear from which date the proposed merger will be effective.

(ii) Existing strength and post filled up in these four categories of posts is not available.

(iii) Regarding MACP benefit, the argument is not clear, as MACP is given on the hierarchy of grade pays.

(iv) Regarding financial implications, it has been stated that this will not have any financial implication as of now. It is not clear as to whether any future financial implication would arise or not.
